

ARGANZ Meeting

9 - 10 March 2019 | SKYCITY Auckland Convention Centre, Auckland, New Zealand

Saturday 9 March 2019**0830-1030 SESSION 1: Liver and Pancreas***Chair Dr Kirsten Gormly*

0830-0835 Welcome

Dr Kirsten Gormly

0835-0915 Cystic neoplasms of the pancreas: imaging pearls and management

Assoc Prof Koenraad Morteale

0915-1000 HCC: Diagnosis and management imaging guidelines

Asst Prof Alessandro Furlan

1000-1030 Cholangiocarcinoma

Dr Mark Goodwin**1030-1100 Morning Tea and Industry Exhibition****1100-1230 SESSION 2A: Liver***Chair Dr James Seow*

1100-1140 The challenging lesions in cirrhosis

Asst Prof Alessandro Furlan

1140-1200 From my workstation: Case based liver imaging review

Dr Jessica Yang

1200-1230 MR elastography: When it is useful, when it is confusing, and when it fails

Asst Prof Alessandro Furlan**1100-1230 SESSION 2B: Acute Abdomen***Chair Dr Jash Agraval*

1100-1130 Bowel obstruction and hernias

Dr Chris McKee

1130-1200 GI bleed and bowel ischaemia

Dr Stephen Merrilees

1200-1230 RIF pain - beyond the appendix

Dr Nick Kenning**1230-1330 Lunch and Industry Exhibition****1330-1500 SESSION 3A: Gynae***Chair Dr Warwick Thomas*

1330-1400 Practical approach to adnexal masses

Dr Helen Moore

1400-1420 US for abnormal uterine bleeding

Dr Bridget Sutton

1420-1440 US and MRI of uterine fibroids

Dr Helen Moore

1440-1500 Ovarian cancer: Screening, staging and surveillance

Dr Justin Hegarty**1330-1500 SESSION 3B: Bowel***Chair A/Prof Tom Sutherland*

1330-1400 MR enterography

Assoc Prof Koenraad Morteale

1400-1430 CT colonography: Difficult polyps and flat lesions

Dr Adrian Balasingam

1430-1500 Bowel cancer screening in New Zealand

Dr Joe Feltham, A/Prof Susan Parry, Dr Adrian Balasingam**1500-1530 Afternoon Tea and Industry Exhibition****1530-1700 SESSION 4A: Renal***Chair Dr Sarah Skinner*

1530-1600 Management of the incidental renal lesion on US and CT (including ACR 2018 CT White Paper recommendations)

Dr Warwick Thomas

1600-1630 Imaging of upper renal tract urothelial carcinoma

Dr Max Kupersmidt

1630-1700 A changing paradigm: Current trends in the treatment of small renal tumours

Dr Gabes Lau**1530-1700 SESSION 4B: MRI***Chair Dr Mitchell Raeside*

1530-1600 ABC of MRCP

Assoc Prof Koenraad Morteale

1600-1630 MRI rectum

Dr Kirsten Gormly

1630-1700 MRI prostate: An update on PI-RADS v2

A/Prof Tom Sutherland**1700-1715 ARGANZ AGM****1700-1830 Welcome Function and Industry Exhibition****1900-2300 Meeting Dinner - Upper Mezzanine at The Cloud, Queen's Wharf, 89 Quay Street**

ARGANZ Meeting

9 - 10 March 2019 | SKYCITY Auckland Convention Centre, Auckland, New Zealand

Sunday 10 March 2019**0730-0900 School of ARGANZ***Examiners* **A/Prof Tom Sutherland, Dr Gabes Lau, Dr Sarah Skinner****0830-1030 SESSION 5: Short Topics***Chair* **Dr Joe Feltham**0830-0845 How safe is MRI contrast
Dr Chris McKee0900-0915 The misty mesentery and mesenteric nodes: what can I ignore?
Dr James Seow0915-0930 Use of dynamic pelvic US for pelvic pain
Dr Kirsten Gormly0930-0945 ABC 123 AAA
Dr Gabes Lau**0945-1030 Mendelson Research Prize Presentations**0945-0955 Survival, tumour response and safety 70-150µm versus 100-300µm doxorubicin drug-eluting beads in trans-arterial chemoembolization for hepatocellular carcinoma
Dr Michael Chan0955-1005 Can a computer learn how to detect prostate cancer on a multiparametric prostate MRI scan?
Dr Jonathan Dillon1005-1015 HCC screening for high risk patients who have suboptimal screening ultrasound: A screening protocol with abbreviated, non-contrast magnetic resonance imaging
Dr Michael Chan1015-1025 The accuracy of multiparametric MRI in detecting and staging clinically significant prostate cancer - a single institution audit experience
Dr Sheng Oon**1030-1100 Morning Tea and Industry Exhibition****1100-1300 SESSION 6: Liver and Pancreas***Chair* **Dr Adrian Balasingam**1100-1130 An epidemic of fatty liver - An Hepatologist's perspective
Dr John Perry1130-1200 Imaging of non-alcoholic fatty liver disease
Asst Prof Alessandro Furlan1200-1235 Solid pancreatic tumours
Assoc Prof Koenraad Mortelet1235-1300 Neuroendocrine tumours of the pancreas
Dr Joe Feltham**1300-1400 Lunch and Industry Exhibition****1400-1600 SESSION 7: Pancreas MDT***Chair* **Dr Jessica Yang**1400-1405 **Mendelson Research Prize Announcement**1405-1435 Pancreatic tumour: A Surgeon's perspective
Mr Michael Rodgers

ARGANZ Meeting

9 - 10 March 2019 | SKYCITY Auckland Convention Centre, Auckland, New Zealand

Pancreas MDT

1435-1550 **Dr Chris McKee (Chair), Assoc Prof Koenraad Morteale, Dr Sanjeev Deva (Oncologist), Mr Michael Rodgers (Surgeon), Dr Neville Angelo (Pathologist), Dr Marius van Rijnsoever (Gastroenterologist and Interventional Endoscopist)**

Closing remarks

1550-1600 **Dr Kirsten Gormly**
